Dear Mary

Well, I suppose by now you have received my yellow slip for math. I have explained what it means so I hope you aren't too terribly alarmed. It doesn't mean I have failed the course, but I expect they explain all that to you.

I got a 44 on my sociology test. We just got our papers back today. The grades here run 6, 5, 3, 3, 1. This is a little better than average grade.

I got 80 my Eng. Just they graded them on percentage. at the end of the term they average up the grades into 65, 43, 71.

There has been a scandal at fever scare here. One girl up on the third floor took last

Well, I don't seem to think I much
else to write. If you have those
pictures developed yet I wish
you would send them to me. If

Warren took part of them a yellow
I would like to see them too.
I paid my second monthly
installment of \$4.50 and paid for my
Merri (the annual) \$5.00 & deposits
The first \$5.00 my kitchen money and
now have \$95.15 in the bank. I didn't
bring my shoe I didn't think I had
enough to put any in the bank & have
anything left to live on so I didn't
put any in. I don't have much else
to spend my money except for bus
fare to church or church contribution
I get my extra time Tuesday.
Please write a little more often.
Love
Helena

Sunday but no more cases have
developed. They said if 3 cases develop
we would be quarantined for 3 weeks.

I think now that they are pretty
sure no one else has it. 3 weeks would
include them getting it. I would want
to get anything to happen to thank
giving vacation.

I got paid for the second time last
Friday the first time I got a little over
five dollars but that was just for about
one week. She one I got 3 weeks was \$50.
that is for two weeks. We get paid every
two weeks.

I took my black shoe to the
repair shop & it will be a week from
Wed. before I can get them.

I bought a pair of brown made
low-heeled shoes. I need
some shoes above and I thought I'd
better get them before Thanksgiving.
I had to pay 6.95 for them. It is all
most impossible to get shoes above
one that are my size for anything less.
