Dear Warren,

I received your's and mother's and Marilyn's letter today.

~~I know that losing 3 games out of~~
three isn't very good but I think they must be getting better from the way it sounds. As they put write ups of the games in the Tribune. If they do cut them out and send them to me I still want a schedule. I want to know if there is going to be a game the Wed. before Thanksgiving. If there is I might get home in time to see it. I got one of my themes back today. I got a 2 on it. That isn't passing. 3 is passing. I found out that I will get yellow slip for Eng. Comp. too. I feel pretty bad about it but ~~the~~ grade in Eng counts more on what we do the last part of the term than this first part anyway.

I would still rather go to Purdue and make passing grades than go to a college where they grade easy. I'm learning

more here even though I can't get
good ^{grades} in Eng + Math.

I feel the same way about Mrs. Morrison you do. Disgusted. If she had
been a better teacher I might not be
getting 2's on my themes.

Well I'll have to finish this letter to
get in the Saturday mail.

~~Don't "suck" to many people, especially~~

Mrs. Morrison:

Your sister,
Shelma

P.S. Tell everyone I said hello.
I can't wait to come home.
