

May 10, 1948

Dear Mom

I started my washing & thought I might as well start writing to you.

I got a letter from Robert today. I don't feel like writing all the details so I'll just send you the letter. It sounds as if I can get a sleeping room in town it would be best since my meals will be furnished. I don't know what you think, but I would just as soon not live with any of my well-meaning & also rather inquisitive relatives. I think I probably will be able to get some room just as cheap someplace else. I may be wrong. I wish you would let me know what you think, since I only have about 4 more weeks of school left & it will go pretty fast.

I suppose the kids are out of school by now. I'm thinking after today that it's going to be pretty hot. I'm getting a nice tan from my tennis class. I have it at 10 o'clock & you can imagine that that is about the hottest time day.

Friday night I went down to Attica ^{with} Paul & Lesora & Adene Fox came back with us & stayed all night so she could be here Sat for the picnic.

I'm too tired to tell you about Saturday & besides it tires to think about that day. We'll be finished in the morning.

May 12
Wed. morn.

Well I guess I sort of forgot this letter but I have 2 tests that I have been too desiring for.

We certainly have had late rain in
the last few days. It looked as if it
might rain all day sun. but it never did
but it rained Monday & Tuesday.

I got a letter from Joan Monday. She really
writes nice long letters.

Well, I'd better get back to my studying

Love

Helma
