road home because I had to
be in at one. Adlene stayed all
night(?) with me.
Then Ray came after us at 8
and we got to church at normal
at 9:30.

As usual I met some of our relative

connection with Forester & Nellie &
he was so glad to know & said
to be sure to tell you hello. He

along. I said I probably could, so he
took me home about 5:30 & but
he called me about 9:00 & said
his sister called & that she had been a
mix-up about which Sun. It was

picked up Ray Nelson & went to attic
to get Adlene's box, Ray's girl, who was
